This Home Isnâ€™t Just a House â€™ Itâ€™s a Lifestyle.

Attention to detail is evident the moment you walk through the stained glass front door. From top to bottom, this Bomaier Custom-Built Home radiates quality, warmth, and timeless elegance. Designed with connection and comfort in mind, this 5-bedroom, 5-bathroom home is where family gathers, friends linger, and memories are made.

Step inside to soaring 18-foot ceilings and a breathtaking floor-to-ceiling stone fireplace with a granite hearth and an exotic African Bubinga hardwood mantle â€™ a stunning center-piece that immediately sets the tone. The open-concept main level flows effortlessly into a traditional dining room framed with classic wainscoting walls, creating an inviting space for both elegant dinners and relaxed family meals.

The kitchen is every chefâ€™s dream, designed with entertaining and everyday living in mind. It features a double-oven six-burner Heartland stainless steel gas stove, a Sub-Zero side-by-side stainless steel fridge, granite countertops, a walk-in pantry, and a spacious breakfast bar â€™ all surrounded by exceptional craftsmanship and finishes.

The primary suite, conveniently located on the main floor, is a luxurious retreat overlooking the backyard and neighbourhood pond. It

features a generous walk-in closet and a spa-inspired 4-piece ensuite complete with a large walk-in shower, double vanities, and in-floor heating for year-round comfort.

Downstairs, the home continues to impress with a stunning Black Walnut bar and billiard room – the ultimate space for entertaining or unwinding. The lower level also includes a Bosch dishwasher, a second fridge, and plenty of room for a home gym, movie area, or guest accommodations.

Every inch of this property showcases thoughtful updates and premium details. Gemstone lighting was added in 2022, along with a new hot water tank.

The garage was upgraded with a forced-air heater in 2025 and new garage door windows in 2024. Enhanced insulation in all floors and walls boosts efficiency, comfort and a calm, quiet atmosphere.

The extra-wide staircases, complete with lighting in the risers, add both grandeur and practicality. Outside, the backyard oasis offers tranquility and style with a rock water feature, timed landscape lighting, and irrigation in both the front and back yards. The yard is also wired for a hot tub, with the circuit breaker already installed in the shed.

Additional features include central vacuum, ample parking across the street, and in-floor heating in the kitchen, bathrooms, ensuite, and basement. All appliances are included – from the Sub-Zero fridge to the Bosch dishwashers – and the pool table remains. Gym equipment and furniture are negotiable to make this beautiful home truly move-in ready. From the craftsmanship to the comforts, every detail has been designed to impress. This is more than a house – it's a lifestyle of

elegance, warmth, and connection, ready to welcome its next chapter.
